

Assembly Bill No. 2306

CHAPTER 464

An act to amend Sections 48645.3, 48645.5, 51225.1, and 51225.2 of the Education Code, relating to juvenile court school pupils.

[Approved by Governor September 22, 2016. Filed with
Secretary of State September 22, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2306, Frazier. Juvenile court school pupils.

Existing law provides for the administration and operation of juvenile court schools by the county board of education.

This bill would express the Legislature's intent that juvenile court schools have a rigorous curriculum that includes a course of study that prepares pupils for high school graduation and career entry and fulfills the requirements for admission to the California State University and the University of California.

Existing law prescribes the course of study a pupil is required to complete while in grades 9 to 12, inclusive, in order to receive a diploma of graduation, and authorizes the governing board of a school district to prescribe other coursework requirements that are in addition to the statewide requirements. Existing law exempts pupils in foster care and pupils who are homeless children or youths from local graduation requirements and also requires a school district and county office of education to accept coursework satisfactorily completed by those pupils while attending another public school, a juvenile court school, or a nonpublic, nonsectarian school.

This bill would make that exemption and requirement to accept coursework satisfactorily completed applicable to former juvenile court school pupils, as defined. The bill would also require a county office of education to issue a diploma of graduation to a pupil who completes statewide coursework requirements for graduation while attending a juvenile court school but does not complete coursework and other requirements that are in addition to the statewide graduation requirements. By placing additional requirements on school districts and county offices of education, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

SECTION 1. Section 48645.3 of the Education Code is amended to read:

48645.3. (a) Juvenile court schools shall be conducted in a manner as shall be prescribed by the county board of education to best accomplish the provisions of Section 48645. The minimum schoolday shall be 240 minutes. Minimum schooldays shall be calculated on the basis of the average number of minutes of attendance during not more than 10 consecutive days in which classes are conducted. The minimum schoolday for pupils in attendance in approved vocational education programs, work programs prescribed by the probation department pursuant to Section 883 of the Welfare and Institutions Code, and work experience programs shall be 180 minutes, which shall be calculated on the basis of the average number of minutes of attendance during not more than 10 consecutive days in which classes are conducted. The county board of education shall adopt and enforce a course of study and evaluate its program in accordance with Sections 51040, 51041, 51050, and 51054 and the provisions of Article 3 (commencing with Section 51220) of Chapter 2 of Part 28, except subdivision (c) of Section 51220.

(b) Juvenile court schools shall not be closed on any weekday of the calendar year, except those weekdays adopted by the county board of education as school holidays or set aside by the county board of education for inservice purposes. However, the county board of education may close juvenile court schools when it deems the closing is necessary to accommodate contingencies.

(c) (1) The county board of education may adopt and enforce a course of study that enhances instruction in mathematics and English language arts for pupils attending juvenile court schools, as determined by statewide assessments or objective local evaluations and assessments as approved by the county superintendent of schools.

(2) The enhanced course of study adopted pursuant to paragraph (1) shall meet the standards adopted pursuant to Section 60605.8, as appropriate, and shall be tailored to meet the needs of the individual pupil to increase the pupil's academic literacy and reading fluency.

(d) It is the intent of the Legislature that pupils in juvenile court schools have a rigorous curriculum that includes a course of study preparing them for high school graduation and career entry and fulfilling the requirements for admission to the University of California and the California State University.

SEC. 2. Section 48645.5 of the Education Code is amended to read:

48645.5. (a) Each public school district and county office of education shall accept for credit full or partial coursework satisfactorily completed by a pupil while attending a public school, juvenile court school, or nonpublic, nonsectarian school or agency. The coursework shall be transferred by means of the standard state transcript. If a pupil completes the graduation requirements of his or her school district of residence while being detained, the school district of residence shall issue to the pupil a diploma from the

school the pupil last attended before detention or, in the alternative, the county superintendent of schools may issue the diploma.

(b) A pupil shall not be denied enrollment or readmission to a public school solely on the basis that he or she has had contact with the juvenile justice system, including, but not limited to:

- (1) Arrest.
- (2) Adjudication by a juvenile court.
- (3) Formal or informal supervision by a probation officer.
- (4) Detention for any length of time in a juvenile facility or enrollment in a juvenile court school.

(c) Pursuant to subparagraph (B) of paragraph (8) of subdivision (f) of Section 48853.5, a pupil who has had contact with the juvenile justice system shall be immediately enrolled in a public school.

(d) If a pupil completes the statewide coursework requirements for graduation specified in Section 51225.3 while attending a juvenile court school, the county office of education shall issue to the pupil a diploma of graduation and shall not require the pupil to complete coursework or other requirements that are in addition to the statewide coursework requirements.

SEC. 3. Section 51225.1 of the Education Code is amended to read:

51225.1. (a) Notwithstanding any other law, a school district shall exempt a pupil in foster care, as defined in Section 51225.2, a pupil who is a homeless child or youth, as defined in Section 11434a(2) of Title 42 of the United States Code, or a former juvenile court school pupil, as defined in Section 51225.2, who transfers between schools any time after the completion of the pupil's second year of high school from all coursework and other requirements adopted by the governing board of the school district that are in addition to the statewide coursework requirements specified in Section 51225.3, unless the school district makes a finding that the pupil is reasonably able to complete the school district's graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school.

(b) If the school district determines that the pupil in foster care, the pupil who is a homeless child or youth, or the former juvenile court school pupil is reasonably able to complete the school district's graduation requirements within the pupil's fifth year of high school, the school district shall do all of the following:

- (1) Inform the pupil of his or her option to remain in school for a fifth year to complete the school district's graduation requirements.
- (2) Inform the pupil, and the person holding the right to make educational decisions for the pupil, about how remaining in school for a fifth year to complete the school district's graduation requirements will affect the pupil's ability to gain admission to a postsecondary educational institution.
- (3) Provide information to the pupil about transfer opportunities available through the California Community Colleges.
- (4) Permit the pupil to stay in school for a fifth year to complete the school district's graduation requirements upon agreement with the pupil, if the pupil is 18 years of age or older, or, if the pupil is under 18 years of age,

upon agreement with the person holding the right to make educational decisions for the pupil.

(c) To determine whether a pupil in foster care, a pupil who is a homeless child or youth, or a former juvenile court school pupil is in the third or fourth year of high school, either the number of credits the pupil has earned to the date of transfer or the length of the pupil's school enrollment may be used, whichever will qualify the pupil for the exemption.

(d) (1) (A) Within 30 calendar days of the date that a pupil in foster care who may qualify for the exemption from local graduation requirements pursuant to this section transfers into a school, the school district shall notify the pupil, the person holding the right to make educational decisions for the pupil, and the pupil's social worker or probation officer of the availability of the exemption and whether the pupil qualifies for an exemption.

(B) If the school district fails to provide timely notice pursuant to subparagraph (A), the pupil described in subparagraph (A) shall be eligible for the exemption from local graduation requirements pursuant to this section once notified, even if that notification occurs after the termination of the court's jurisdiction over the pupil, if the pupil otherwise qualifies for the exemption pursuant to this section.

(2) (A) Within 30 calendar days of the date that a pupil who is a homeless child or youth may qualify for the exemption from local graduation requirements pursuant to this section transfers into a school, the school district shall notify the pupil, the person holding the right to make educational decisions for the pupil, and the local educational agency liaison for homeless children and youth designated pursuant to Section 11432(g)(1)(J)(ii) of Title 42 of the United States Code, of the availability of the exemption and whether the pupil qualifies for an exemption.

(B) If the school district fails to provide timely notice pursuant to subparagraph (A), the pupil described in subparagraph (A) shall be eligible for the exemption from local graduation requirements pursuant to this section once notified, even if that notification occurs after the pupil is no longer a homeless child or youth, if the pupil otherwise qualifies for the exemption pursuant to this section.

(3) (A) Within 30 calendar days of the date that a former juvenile court school pupil may qualify for the exemption from local graduation requirements pursuant to this section transfers into a school, the school district shall notify the pupil, the person holding the right to make educational decisions for the pupil, and the pupil's social worker or probation officer of the availability of the exemption and whether the pupil qualifies for an exemption.

(B) If the school district fails to provide timely notice pursuant to subparagraph (A), the pupil described in subparagraph (A) shall be eligible for the exemption from local graduation requirements pursuant to this section once notified, even if that notification occurs after termination of the court's jurisdiction over the pupil, if the pupil otherwise qualifies for the exemption pursuant to this section.

(e) If a pupil in foster care, a pupil who is a homeless child or youth, or a former juvenile court school pupil is exempted from local graduation requirements pursuant to this section and completes the statewide coursework requirements specified in Section 51225.3 before the end of his or her fourth year of high school and that pupil would otherwise be entitled to remain in attendance at the school, a school or school district shall not require or request that the pupil graduate before the end of his or her fourth year of high school.

(f) If a pupil in foster care, a pupil who is a homeless child or youth, or a former juvenile court school pupil is exempted from local graduation requirements pursuant to this section, the school district shall notify the pupil and the person holding the right to make educational decisions for the pupil how any of the requirements that are waived will affect the pupil's ability to gain admission to a postsecondary educational institution and shall provide information about transfer opportunities available through the California Community Colleges.

(g) A pupil in foster care, a pupil who is a homeless child or youth, or a former juvenile court school pupil who is eligible for the exemption from local graduation requirements pursuant to this section and would otherwise be entitled to remain in attendance at the school shall not be required to accept the exemption or be denied enrollment in, or the ability to complete, courses for which he or she is otherwise eligible, including courses necessary to attend an institution of higher education, regardless of whether those courses are required for statewide graduation requirements.

(h) If a pupil in foster care, a pupil who is a homeless child or youth, or a former juvenile court school pupil is not exempted from local graduation requirements or has previously declined the exemption pursuant to this section, a school district shall exempt the pupil at any time if an exemption is requested by the pupil and the pupil qualifies for the exemption.

(i) If a pupil in foster care, a pupil who is a homeless child or youth, or a former juvenile court school pupil is exempted from local graduation requirements pursuant to this section, a school district shall not revoke the exemption.

(j) (1) If a pupil in foster care is exempted from local graduation requirements pursuant to this section, the exemption shall continue to apply after the termination of the court's jurisdiction over the pupil while he or she is enrolled in school or if the pupil transfers to another school or school district.

(2) If a pupil who is a homeless child or youth is exempted from local graduation requirements pursuant to this section, the exemption shall continue to apply after the pupil is no longer a homeless child or youth while he or she is enrolled in school or if the pupil transfers to another school or school district.

(3) If a former juvenile court school pupil is exempted from local graduation requirements pursuant to this section, the exemption shall continue to apply after the termination of the court's jurisdiction over the

pupil while he or she is enrolled in school or if the pupil transfers to another school or school district.

(k) A school district shall not require or request a pupil in foster care, a pupil who is a homeless child or youth, or a former juvenile court school pupil to transfer schools in order to qualify the pupil for an exemption pursuant to this section.

(l) (1) A pupil in foster care, the person holding the right to make educational decisions for the pupil, the pupil's social worker, or the pupil's probation officer shall not request a transfer solely to qualify the pupil for an exemption pursuant to this section.

(2) A pupil who is a homeless child or youth, the person holding the right to make educational decisions for the pupil, or the local educational agency liaison for homeless children and youth designated pursuant to Section 11432(g)(1)(J)(ii) of Title 42 of the United States Code, shall not request a transfer solely to qualify the pupil for an exemption pursuant to this section.

(3) A former juvenile court school pupil, the person holding the right to make educational decisions for the pupil, the pupil's social worker, or the pupil's probation officer shall not request a transfer solely to qualify the pupil for an exemption pursuant to this section.

(m) (1) A complaint of noncompliance with the requirements of this section may be filed with the local educational agency under the Uniform Complaint Procedures set forth in Chapter 5.1 (commencing with Section 4600) of Division 1 of Title 5 of the California Code of Regulations.

(2) A complainant not satisfied with the decision of a local educational agency may appeal the decision to the department pursuant to Chapter 5.1 (commencing with Section 4600) of Division 1 of Title 5 of the California Code of Regulations and shall receive a written decision regarding the appeal within 60 days of the department's receipt of the appeal.
